Dedication

Dedicated To:

Mr. Lawrence Reagan Paulhus
Teacher, Yearbook Advisor

We, the Class of 1986, dedicate our yearbook to Mr. Lawrence Paulhus - teacher and friend. He has proven himself to be a dedicated teacher, concerned with our intellectual growth. He has always been willing to listen; to become involved with our lives; and, to attend our sporting events, plays, concerts and even social events. Above all, however, he is a man who has cared about us. He is a very special person to us and to him we wish the best that life can provide.

Office Of The Superintendent

To The Class of 1986:

I gives me a great deal of pleasure to congratulate the Class of 1986 on the successful completion of their high school education.

The 56th graduating class of Case High School will soon join the ranks of the alumni that is at the same time a source of pride to the community and is proud of its school and community.

During your senior year a very significant event occurred in Swansea. The eyes of the nation were focused on our little community by the news media. The manner in which the school department and townspeople acted in the AIDS crisis set a standard for the nation in human behavior. The elements of truth and fact became the basis for a decision and not fear and hysteria. The Town of Swansea is recognized by the entire nation as a community of compassion and understanding.

As graduates of the Swansea School System, you are the heirs to this tradition. It is expected by everyone that you will act accordingly in reaction to whatever crises you may have to face in your lifetime. I am confident that you will do so. Also I am equally certain that using this kind of rational judgment will assist you to be successful in your life's vocation.

Best wishes for health and happiness in the future.

Sincerely yours,

John E. McCarthy
SUPERINTENDENT OF SCHOOLS

To the Class of 1986:

Congratulations and best wishes to you, the Case High School Class of 1986.

May the trials and tribulations as well as the rewards and accomplishments of your past four years at Case stand you in good stead as you complete a most important step along the path to adulthood and its responsible realities.

Sincerely yours,

Paul F. Monahan
MANAGER OF INSTRUCTIONAL
SERVICES

School Administration

Dear Graduates:

Thomas Wolfe believed, and people seem to agree, that "you can't go home again." When something is over, somehow it seems unable to be recaptured at least in the way in which we would like to recall "the way we were" or what might have been. Such will be your years at Joseph Case High School.

I would like to think that your remembrance of your high school years will be heightened by friendships forged, lessons learned and dreams fulfilled. If we, the faculty, and you, our graduates, have touched each other, even slightly, with a little sentiment, a bit of intellect and a lot of wisdom, then our lives are ever so enriched by just having known one another.

As you leave Joseph Case High School remember it as not a place for regrets, nor a spot where life slid by you; but a place where you as its students were not simply a part of its vitality - you were its life.

Fondly and with best wishes always,

David Jardin

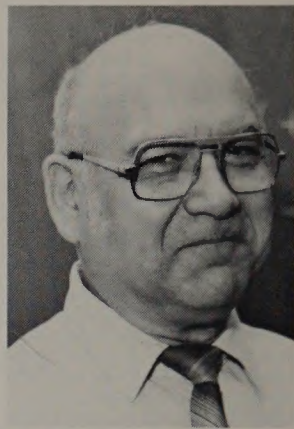

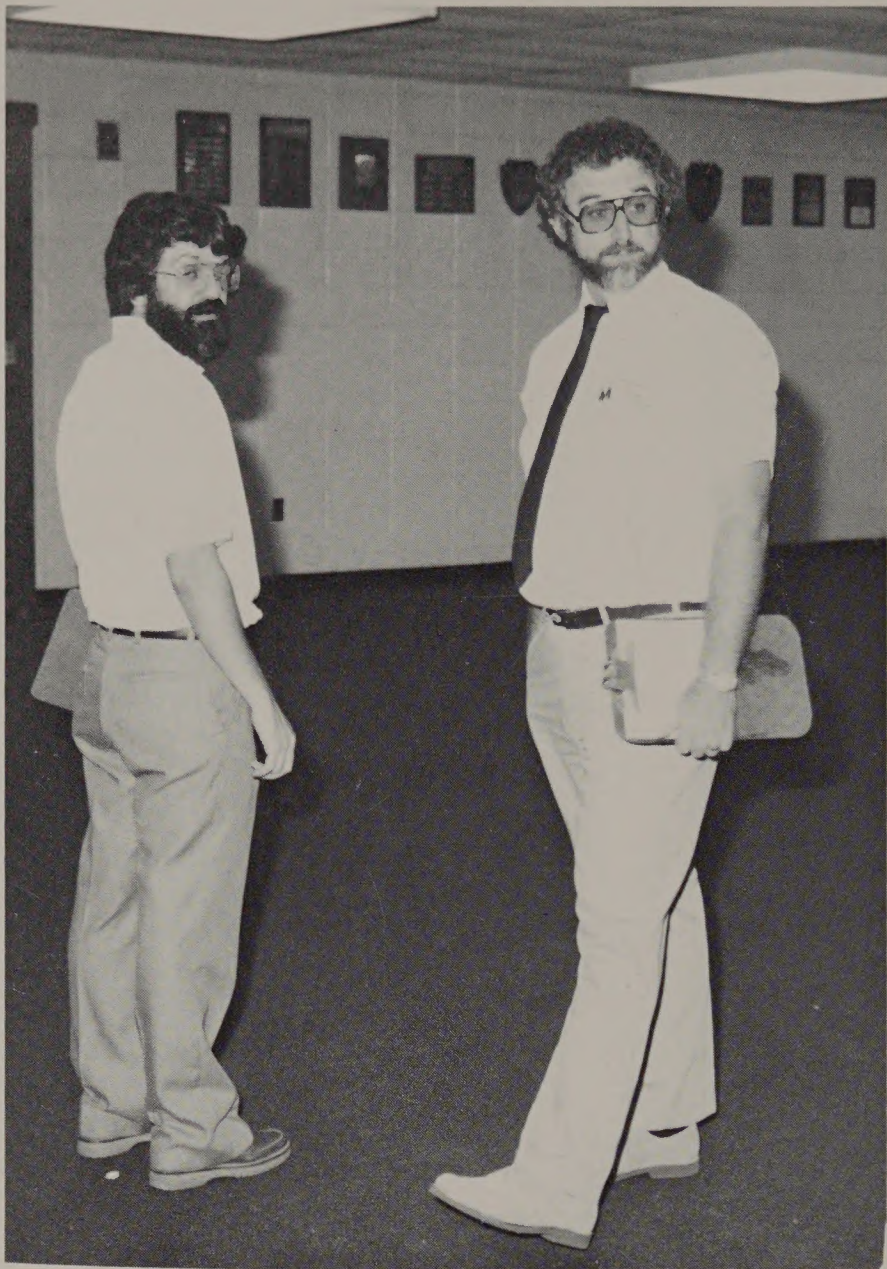

TO THE CLASS OF '86 -

I hope the past four years at Case have been rewarding and pleasurable. While embarking on your separate paths for the future, set your goals high and don't let anyone steal your dreams. Remember that hard work and dedication will allow you to succeed far beyond your expectations and that "worth" can only be achieved through love and concern for yourself and those around you.

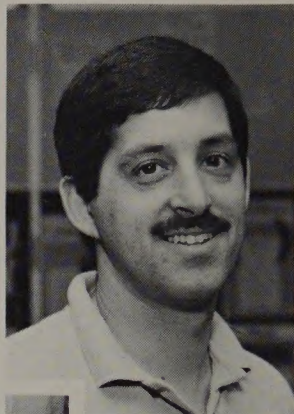

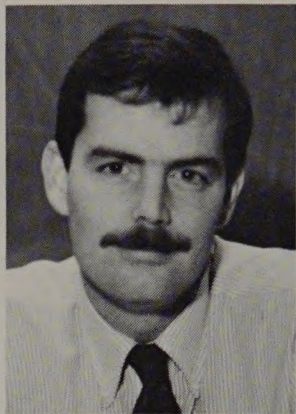

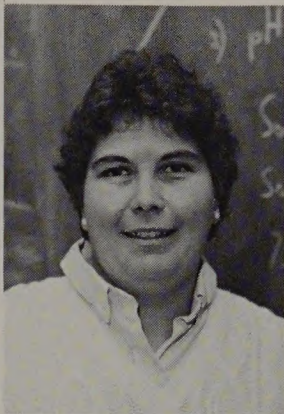

Good Luck,
Gerald A. Furrado

"The Troika"

Rachell Teixeira, Dawn Mello, And Laurie LeBreux

The yearbook staff would like to thank all who helped to make our book a success. In particular, we would like to extend to our principal, Mr. Jordin, a special "thank you." He has never failed to support and encourage us in our efforts.

We would like to thank Dr. Michael Gauthier for the great deal of time that he was willing to give to our work. Dr. Gauthier's help in pointing out our mistakes helped to make our yearbook something we could feel proud about.

We would also like to thank Norval Gornett, our Jostens' representative, Ellie Mochodo from Loring Studios, and the entire staff and faculty at our school for an entire year of cooperation and encouragement.

THANK YOU ALL

During the 1985 Fall Season the Cardinal Band continued along a successful path begun in previous years.

Having earned 26 awards for excellence in performance at New England Scholastic Band Association sponsored contests the band completed their season at Boston University's Nickerson Field by capturing the best awards for percussion and band front in competition with 9 bands in Division III.

The success of this year's band can be attributed to a dedicated instructional staff and the willingness of band and color guard members to devote the extra efforts necessary to attain the high caliber of performance demanded of them. A positive attitude and pride in themselves and who they represent has become a trade mark, and has begun a tradition for all future members to respect and continue.

CROSS COUNTRY CROSS COUNTRY CROSS COUNTRY CROSS COUNTRY

The establishment of a new league created a more competitive situation for the Case cross country team. The South Coast Conference was comprised of some of the best teams and individual runners in the state of Massachusetts.

The boys' team finished its season with a very successful 5-4 record and a fifth place finish in a 9-team league. This was the second winning season for this young team, which shows promise for the future. The girls' team concluded with a 3-6 record and a sixth place finish in league competition. //

VOLLEYBALL

Our team's sport success is due largely to the individual abilities of our team members . . . Co-captain Missi Phenix led the team offense with her dominating attack plays. Co-captain Carrie Oldroyd lived her dream by setting our team to a championship. Carrie Howarth played the best volleyball in her career in all rotations. Pam Chretien was our team's #1 defensive specialist . .
